

EU-US TTC & Data Flows

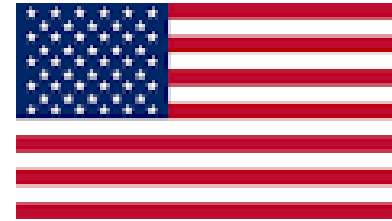

EU-US Dialogue on Innovation

Martin Chapman

Director for Technical Policy & Standards

EU-US Trade & Technology Council

WG 1

Technology Standards

WG 2

Climate & Clean Tech

WG 3

Secure Supply Chains

WG 4

ICTS Security and Competitiveness

WG 5

Data Governance & Tech Platforms

WG 6

Misuse of Technology

WG 7

Export Controls of Dual Use Items

WG 8

Investment Screening Coop.

WG 9

Promoting SME Access

WG 10

Global Trade Challenges

IoT and Data Flows

Data Act

AI Act

GDPR

Free-flow of non-personal data

EU Cloud Scheme

US Cloud Act

New rules governing data transfers outside Europe are unnecessary, and contradictory

Personal data already covered under the GDPR

Complex web of authorities will inevitably conflict with the powers of DPAs

Blanket rules mandating data localisation in Europe cannot and will not guarantee immunity to access to EU data
