Innovation

The Spatial Web

- How I met with Dan, Gabriël and Philippe
- What we did so far (WG3, landscaping)
- What lays ahead of us (2023 Belgian presidency)

'Metaverse, Spatial Web and Web 3.0 for industry and new society' - Iot Week Dublin 21/06/2022

The Spatial Web

- How Web 3.0 will connect humans, machines and AI to transform the world

The World of Tomorrow
