

IOTWeek

Dublin — June 20-23, 2022

Offering and Experiences of the European Federation of Data- driven Innovation Hubs *Intro & context*

Nuria de Lama, Consulting Director IDC

GLOBAL VISION:

IoT TODAY AND BEYOND

IOTForum

The speakers

Nuria De Lama

Moderator

IDC
Consulting Director

Daniel Alonso Román

Speaker

Instituto Tecnológico de
Informática (ITI)
Director of the Promotion and
Positioning Area

Ricardo Simón Carbajo

Speaker

CeADAR
Head of Innovation &
Development

Marcin Plociennik

Speaker

Poznan Supercomputing and
Networking Center FutureLabs
Head of IoT Systems
Department

Daniel Sáez Domingo

Speaker

ITI
Technology Transfer Director

Silvia Castellvi

Speaker

IDSA
Senior Consultant

The Program

- Introduction: context and objectives (Nuria de Lama, IDC, EUH4D project), *moderator*
- European Federation of Data-driven Innovation Hubs: concept, motivation and challenges of the federation (Daniel Alonso, ITI; EUH4D project coordinator)
- Experiments in Practice: a path through 3 Hubs that will share their service offering in data-driven experimentation, success cases and value from the Federation
 - The case of the Irelands' Centre for Applied AI (Ricardo Simón Carbajo, CeADAR)
 - The case of Poznan Supercomputing and Networking Center (Marcin Plociennik, PSNC)
 - The case of Informatics Technology Institute (Daniel Saez, ITI)
- A success story on how to use IDSA connectors for data interoperability (Silvia Castellví, International Data Spaces Association IDSA)
- Impact of the federation in numbers (Nuria de Lama, IDC)
- Q&A and Open Discussion

- Federation in theory is easy, but what does it imply **in practice**?
- You have opportunities to get involved **if you are a DIH** or similar body (providing infrastructure or other facilities)
- You have opportunities **if you are a SME**
- Others? Tell us your motivation and let's discuss

IOTWeek

Dublin — June 20-23, 2022

Thank you!
