

BioSense INSTITUTE

Prof. dr Vladimir Crnojevic

**"We cannot feed today's world with yesterday's agriculture. However, highly productive sustainable agriculture can feed a multiple of today's world population."**

Rudy Rabbinge  
Professor Sustainable  
Development & Food Security  
Wageningen University and  
Research Centre

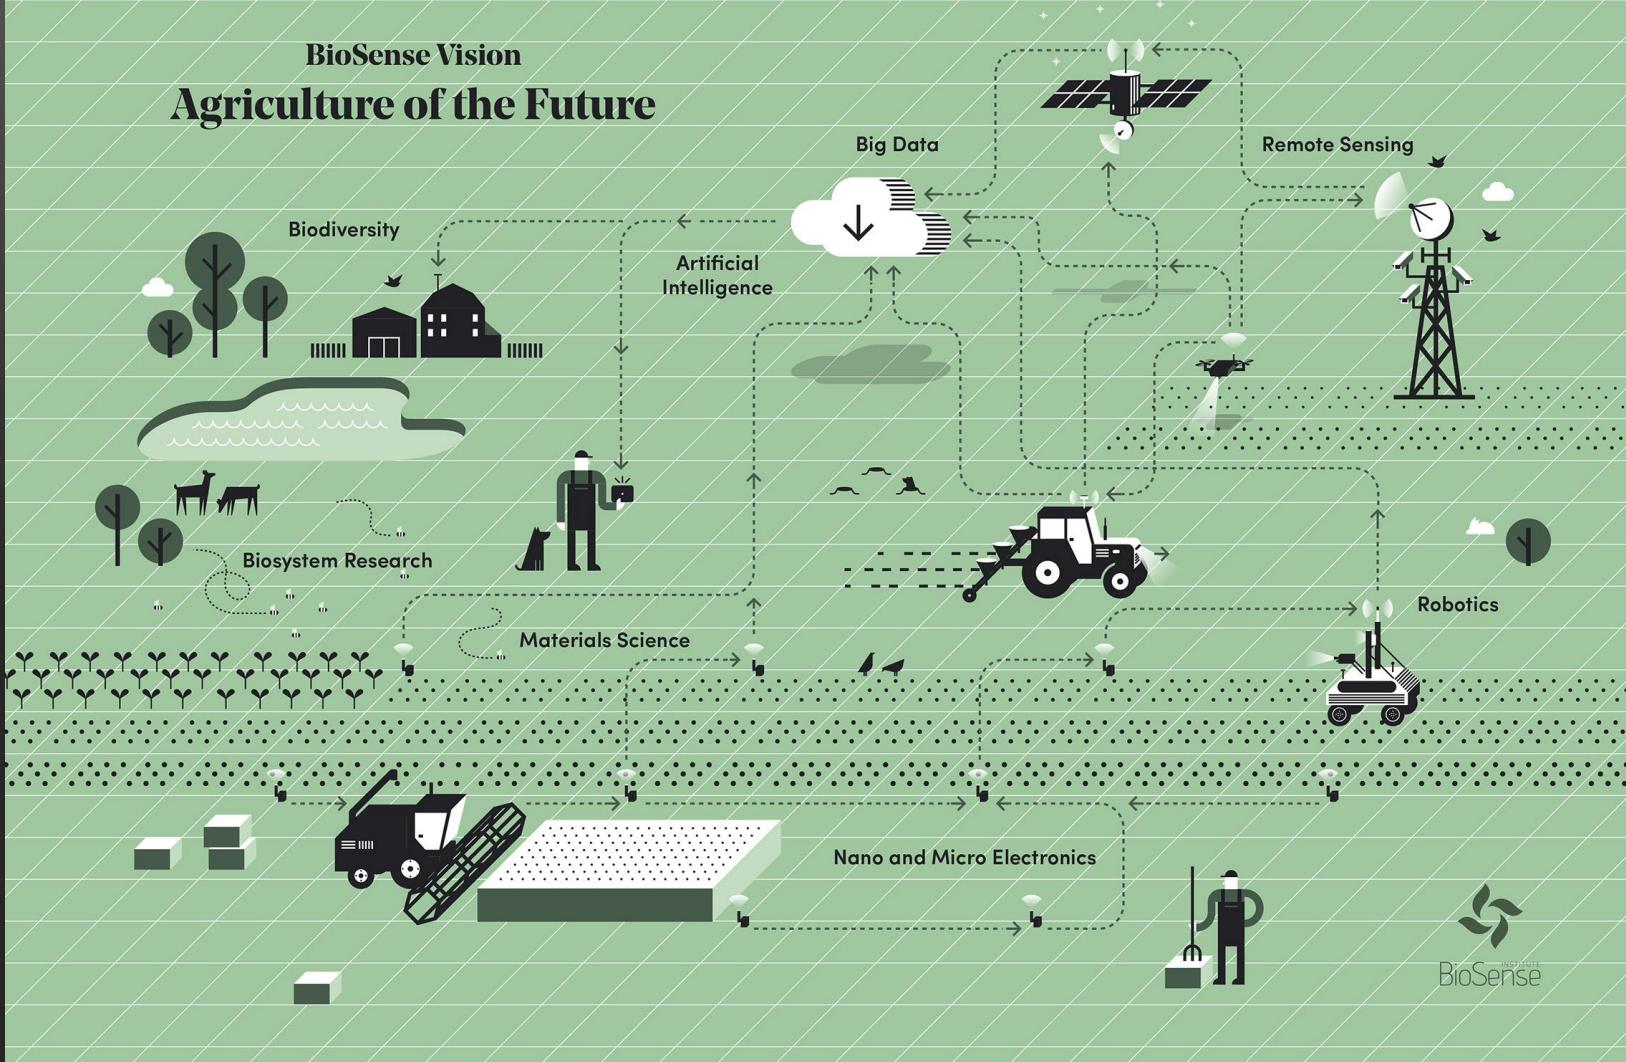

**"EMERGING FARM  
TECHNOLOGY GIVES  
FARMERS NEW  
OPPORTUNITIES  
TO BECOME MORE  
EFFICIENT"**

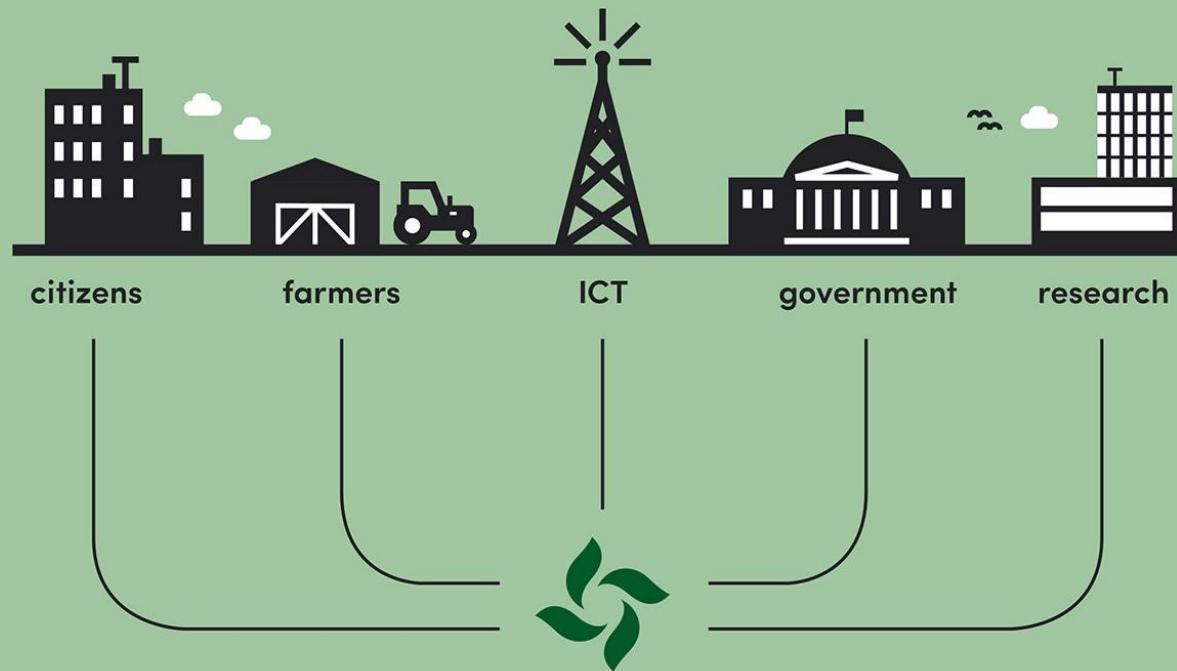

FROM: PHIL JENNINGS,  
KINZE MANUFACTURING  
SERVICE MANAGER

SO TRUE...

BioSense Vision  
**Agriculture of the Future**
