SYNCHRONICITY

IoT Product Marketplace

Eunah Kim, eunah.kim@devicegateway.com

This project is co-funded by the Swiss State Secretariat for Education, Research and Innovation.

This project is also co-funded by Republic of Korea, and Mexico.
SynchroniCity IoT Marketplace

- to deliver a Digital Single Market for IoT-enabled smart cities in Europe and beyond.
- to open innovation ecosystem around the proposed digital single smart city marketplace.

IoT Devices and Solutions

IoT Product Marketplace
Helping SMSes,
Connecting stakeholders together,
User-created market ensuring sustainability,
X-Cart Platform

IoT Data Marketplace
Providing a natural incentive to share data
through monetization,
Data management with common APIs,
FIWARE + TMForum Business APIs
IoT Product Marketplace

- IoT infrastructure owners
